LOCK² STOCK⁰ TRADE⁴

Market Opens
January 4, 2014

What is LST?

Lock Stock Trade is the biggest mock IPO event in India bringing together Entrepreneurs, Venture Capitalists, Industry Experts and B-School Students.

- LST was launched in 2004 by SPJIMR in collaboration with National Entrepreneurship Network (NEN)
- 69 Ventures have been showcased at LST so far
- LST has enabled ventures like Local Banya, Faaso's and Gamiana to gain great visibility

LST 2014 - The Unveiling

Lock Stock Trade 2014 was unveiled by Prof. MS Rao & Prof. Radhika Narayanan in presence of Mr. Uday Wankawala of NEN, Prof. Atish Chattopadhyay, Mr. Joel Mukherjee (Founder – Whitekeys) & Ms. Aishwarya Natarajan (CEO - IndiaNuance) on 30th September, 2013

Objective

- Generate interest, awareness & understanding of entrepreneurship
- Create a platform bringing entrepreneurs and investors to interact with students.
- Help participants understand the business models of different kinds of companies
- Enable large number of aspiring entrepreneurs (current students) from over 200 institutions to network

Agenda

- Key note by a prominent, first-generation entrepreneur
- 3 parallel tracks of business presentations in an investment banking format to engage 300+ investors attention
- Each presentation will be followed by a Q&A session with the Jury panel.
- Panel discussion with eminent and prominent business leaders
- The awards ceremony
